RECIPROCITY AGREEMENT

between

Union of Czech Mathematicians and Physicists (JČMF) represented by the Czech Mathematical Society (ČMS)

and

Societat Catalana de Matemàtiques (SCM)

In accordance with all by-laws and regulations governing both Societies, and after consultation and approval of their respective governing bodies, the President of the SCM and the President of the JČMF hereby sign this Reciprocity Agreement.

1. The JČMF recognizes to all members of the SCM in good standing the right to become Reciprocity Members of the JČMF. The annual membership fee will be equivalent to 50% of the annual fee charged to JČMF members. The reciprocity members may become members of the ČMS, section of JČMF, again at 50% of the annual fee charged to regular ČMS members.
2. The SCM recognizes to all members of the JČMF in good standing the right to become Reciprocity Members of the SCM. The annual membership fee will be equivalent to 50% of the annual fee charged to SCM members.
3. The reciprocity fee will be invoiced to Reciprocity Members by each Society together with their own annual membership fee. All reciprocal membership fees collected will be sent annually to the reciprocal Society.
4. The option to become a Reciprocity Member under this Agreement will be announced annually by each Society to all its members, specifying the amount to pay after applying the previous percentages to the corresponding annual membership fee.
5. Both Societies agree to share all necessary data regarding Reciprocity Members, in order to avoid problems of unpaid membership fees. To this effect, a suitable mechanism will be implemented.
6. The JČMF and the SCM agree:
   - To exchange periodical publications.
   - To exchange invitations for relevant activities organized by each Society.
   - To promote contacts aimed to the preparation of joint activities focused on the teaching of mathematics or on research in all fields of mathematics.
7. This Agreement will lose its validity by lack of fulfillment of its objectives, or by simple request of one of the Societies, as long as it has the approval of the appropriate governing bodies and be communicated at least six months in advance.

This Agreement is signed by the representatives of both Societies in the city of Prague on September 4, 2004.
